

Use this form when you want to add, remove or change work after the original quotation or contract has been accepted. Home Rescue will price the change before the extra work starts.

Customer name _____

Job / quotation number _____

Property location _____

Date requested _____

Describe the requested change

Reason / notes

WHAT HAPPENS NEXT

Home Rescue reviews the request and issues the additional price or credit, material changes and any change to the completion date. The variation is not authorized until the customer approves it in writing.

Customer signature _____
